Criminal Conviction Declaration

NMIT is committed to safeguarding all stakeholders including learners and staff. NMIT requires that all applicants declare any criminal convictions they have. NMIT acknowledges that some convictions do not need to be disclosed by virtue of the Criminal Records (Clean Slate) Act 2004. For more information about when the Criminal Records (Clean Slate) Act 2004 scheme applies please refer to: justice.govt.nz/criminal-records/clean-slate. Completion of this application form constitutes consent to NMIT carrying out a criminal history check with the New Zealand Police. Full consideration is given to the currency and nature of the offence(s) disclosed and the severity of any penalty imposed. If an offence is disclosed you may be required to discuss the matter with a Member(s) of the NMIT Directorate. NMIT is committed to the rehabilitation of offenders where possible. The focus of the discussion will be to provide support and assess the potential for pathways to learning at NMIT.

As the New Zealand Police Vetting Service Request and Consent Form can take up to 6 weeks to process, we ask that you complete this form to enable us to continue with the application process. If you have not resided in New Zealand for the past six months, you will need to provide a Police Vetting Form from your country of origin or residence.

- I declare that I have no convictions against the law (apart from minor traffic convictions).
- I declare that I have convictions against the law and understand that having a criminal record is not automatic grounds for declining my application and that consideration is given to currency, nature, severity of conviction(s) and associated factors.

Please state conviction

- I agree that the information from the New Zealand Police Vetting Report may be released and shared, with discretion, with relevant NMIT staff and with my placement provider/s.

COVID-19 Vaccine Statement and Placement Provider Confidentiality Declaration

As you may be aware, the Government announced that the 'groups of affected persons' in the COVID-19 Public Health Response (Vaccinations) Order 2021 (Order) will be extended to include high-risk workers in the hospitality and service industries such as hair, beauty and fitness sector. The effect of this is that vaccination will soon be mandatory and this will extend to those seeking to work within those sectors on placement.

As you know, to complete your programme of study, it is necessary that you complete certain education placements. With the introduction of the Order, we cannot secure placements for learners who are not vaccinated, or do not wish to share their vaccination status. You do not have to share your vaccination status with us but if you do not, we will assume that you are not vaccinated. Because of this, it is likely that you will not be able to complete your qualification if you are not vaccinated or do not wish to share your vaccination status.

It is essential that all students respect workplace and all client's privacy and confidentiality.

- I have read and understood the COVID-19 vaccine statement.
- I agree that I will maintain and respect the privacy and confidentiality of my placement provider/s.

Declaration

I declare that the information I have given is true and accurate, no information which could influence my gaining acceptance onto the programme has been withheld. I understand that the making of a false declaration is an offence under the Crimes Act 1961.
